2. Details of your request

Please indicate if this is a request for examination information or a request for examination data? **Examination content is not available to external parties.**

3. Purpose of your request

<input type="checkbox"/> Examination information <input type="checkbox"/> Examination data
What examinations are you interested in obtaining information or data for?
What years and/or sessions are you requesting this examination information or data for?
Why are you requesting this examination information/data and what objectives are you trying to achieve through its use?

How will this examination information/data be used?
Who will have access to this information/data? Is it for private or public usage?
Will this examination information/data be used for research?
What steps will be taken to maintain the privacy and confidentiality of the candidates' information (where applicable)?

4. Consent

By submitting this request, you understand and agree to the following:

- Should the request be approved, there will be a cost-recovery fee (minimum of \$280) prior to the release of any information; the exact fee will be communicated in advance and payment must be made in full prior to the start of any work required.
- Once approved, provision of the information or data may be subject to the signing of a confidentiality agreement for obtaining MCC data which prohibits the information from being used for purposes other than the approved purpose and may require the information to be kept confidential.
- Should my use of examination information or examination data result in any publications/presentation, they must be approved in writing by the MCC prior to dissemination.
- There is no guarantee that a request will be granted.
